Competency Checklist -  
AORN: Perioperative  
Annual Competency  
Assessment Association of  
periOperative Registered  
Nurses (AORN) This  
evidence-based competency  
assessment program,  
co-developed by experts at  
HealthStream and AORN,  
helps reduce patient risk by  
structuring and assessing  
the perioperative  
knowledge of nurses and  
surgical technologists on a  
regular, ongoing basis.  
AORN: Perioperative  
Annual Competency  
Assessment - Conceptual  
skills increase dramatically  
as one transcends the  
management hierarchy;  
however, remaining  
technically competent in  
perioperative nursing will  
engender respect from both  
staff nurses and physicians.  
13 Operating room nurse  
managers can maintain  
technical competence by  
being involved in their  
professional organizations  
(eg, AORN), attending

continuing education  
offerings, and reading  
professional journals.  
Actively serving on facility  
committees can develop  
conceptual competence.
