Medical ethics, human rights and law. Circumcision is more than a medical or health issue. Bodily integrity is recognized as a fundamental human right, basic to the autonomy of the individual and guaranteed by law. Medical Ethics, Human Rights and Law | Circinfo.org - Improving the health status of Aboriginal and Torres Strait Islander peoples is a longstanding challenge for governments in Australia. While there have been improvements made in some areas since the 1970s (notably in reducing high rates of infant mortality¹) overall progress has been slow and inconsistent. The inequality gap between Aboriginal and Torres Strait Islander peoples and other ... Achieving Aboriginal and Torres Strait Islander health ... -
