

Mon, 14 Jan 2019 10:00:00 GMT clinical handbook for olds maternal pdf - Attachment theory is a psychological model attempting to describe the dynamics of long-term and short-term interpersonal relationships between humans. "Attachment theory is not formulated as a general theory of relationships; it addresses only a specific facet": how human beings respond within relationships when hurt, separated from loved ones, or perceiving a threat.

Sun, 13 Jan 2019 03:49:00 GMT Attachment theory - Wikipedia - John Bowlby (1907 - 1990) was a psychoanalyst (like Freud) and believed that mental health and behavioral problems could be attributed to early childhood.

Mon, 14 Jan 2019 11:33:00 GMT John Bowlby | Maternal Deprivation Theory | Simply Psychology - Child development entails the biological, psychological and emotional changes that occur in human beings between birth and the conclusion of adolescence, as the individual progresses from dependency to increasing autonomy. It is a continuous process with a predictable sequence, yet having a unique course for every child. It does not progress at the same rate and each stage is affected by the ...
